

Special Communication #2 to Families June 19, 2020

Dear Family Members, Guardians and Friends of Spectrum for Living,

In further good news today, I am pleased to share that we received additional guidance from Governor Phil Murphy and Department of Human Services Commissioner Judith Persichilli this afternoon relative to family visits at long-term care facilities. **Effective this Sunday, June 21st**, *Spectrum for Living will begin allowing scheduled family/guardian Social Distancing Visits outside of our Closter Intermediate Care Facility ("ICF") in addition to allowing scheduled visits to our residential group homes and apartments.* Please contact program management at the ICF, group home or apartment residence to arrange for a visit to see your loved one.

We appreciate your understanding and patience as we work to implement rapidly developing State guidelines to facilitate family visits as quickly as possible.

Be well.

Regards,

Christopher Perry
