

# SPECTRUM FOR LIVING

## ANNUAL REPORT

2020

Dear Friends and Family,

We are proud to highlight Spectrum for Living's accomplishments throughout 2020 by sharing with you the programs, events, and services we offered our clients to increase their independence and quality of life.

Unprecedented times call for unprecedented actions, a fact which Spectrum for Living certainly validated with its response to the COVID-19 pandemic. While the pandemic presented many unforeseen challenges, the Spectrum for Living executive team, management, nurses and other professionals - particularly our direct care staff - all ensured that we remained steadfast in carrying out our mission.

Having a devoted Board of Trustees also contributed to our ongoing success, and I thank all of our Trustees for their constant devotion. I also thank Spectrum for Living Endowment for providing financial assistance where needed.

Financial support from all our benefactors large and small continues to help us in our mission. From our virtual 5K to our annual golf outing, our donors have been monumental in keeping Spectrum's mission strong. Your contributions strengthened our impact in the community, allowing us to influence nearly 1000 lives throughout the year. We are grateful for your continued contributions and ensure that we will be respectful stewards of your gifts.

It is truly an honor to serve as Chairperson of Spectrum for Living, and I do so with a fond appreciation of the lives that we touch. Thank you for your continued support of our organization.

Respectfully,

**BRIAN TODD**

Board Chairperson

Dear Spectrum for Living Friends -

We are pleased to share with you our 2020 Annual Report. As you will see in the following pages, we had a wealth of programming and events throughout the year that provided an enriching and meaningful life experience for the many adults that we serve.

2020 marked an important litmus test for Spectrum for Living. The coronavirus pandemic brought much disruption to our daily lives and challenged us in many ways. Nevertheless, the pandemic had the effect of bringing people closer together at Spectrum for Living. Our many staff members are our Heroes and are our greatest resource. We ensured the safety and dignity of our clients while pivoting to emerging needs, and we successfully adapted our programs and events with our clients' well-being in mind. In so doing, we kept our dream alive while keeping our community safe.

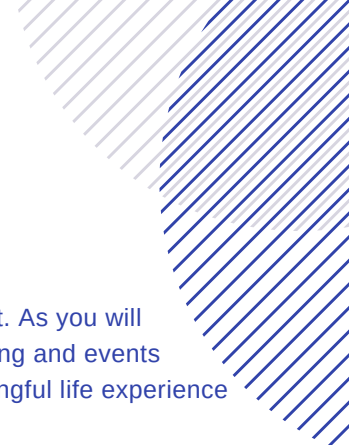

Of course, a key component in our continued success is your unwavering support. As originally envisioned by our Founding Parents - Alexander Gallione, Adele Guttenberg Rena Kamena, Annette Levy and Edna Melosh - Spectrum for Living is a partnership between families and our compassionate, dedicated staff. Without you, the dream of our Founding Parents would have expired long ago. You keep their dream alive by being an active member of our community – a community that brings meaning and joy to the lives of people who very much need it, and who very much deserve it.

With your continued support, the Spectrum for Living legacy is preserved. We thank you for being a part of the Spectrum for Living family and for believing in our Mission.

Regards,

**CHRISTOPHER L. PERRY**

President & Chief Executive Officer

# PROGRAMS & SERVICES:

Spectrum for Living is a non-profit organization dedicated to the philosophy that individuals with developmental and intellectual disabilities are deserving of the opportunity to achieve fulfilling and meaningful lives. Our programs and services promote independence and encourage each person to reach their full potential through comprehensive care.

Operating across Bergen, Middlesex, and Passaic counties, Spectrum for Living cares for clients in our **Intermediate Care Facility, group homes, supervised apartments, and Adult Training Centers**. Our Intermediate Care Facility provides twenty-four-hour care for our most medically intensive residents. Our group homes provide clients with private rooms and common living areas. Our supervised apartments offer private rooms, a shared living room, and specially designed adaptive kitchens and bathrooms. Lastly, our Adult Training Centers provide a variety of stimulating programs, which help residents with skill-building. Activities and events are also available to participants, including but not limited to: socialization, practical arts, computers, recreation, crafts, music therapy, community integration, sensory integration, clinical and medical services, fine and gross motor skills, reading, and psychological services.

Spectrum for Living prides itself on offering life-changing recreational services. Our recreational and socialization programs and services are made possible due to community support. The care of persons with disabilities is a loving and compassionate partnership between families, public officials, healthcare providers, and supportive local residents. The inclusion of these crucial relationships in our care enriches community life and serves the best interests of our many clients.
