ANNUAL REPORT
2024

FROM OUR LEADERSHIP

We are pleased to share our 2024 Annual Report, which details the wealth of programming that we provided and events that we hosted throughout the year to enrich and provide a meaningful life experience for the many adults that we serve.

As originally envisioned by our Founding Parents – Alexander Gallione, Adele Guttenberg Rena Kamena, Annette Levy and Edna Melosh – Spectrum for Living is a partnership between families and our team of compassionate, dedicated staff. Our many staff members are our Heroes, and they are instrumental in ensuring the safety and dignity of our clients. Collectively, we are engaged in the daily work of transforming lives, and it is our aspiration that all of our clients reach their fullest potential and are exposed to the full richness that life has to offer. However, more than just an aspiration, this is something that we actually deliver, every day, 365 days a year.

Of course, a key component in our continued success is your unwavering support. Without you, the dream of our Founding Parents would have expired long ago. You keep their dream alive by being an active member of our community. With your continued support, the Spectrum for Living legacy is preserved. We thank you for being a part of the Spectrum for Living family and for believing in our Mission.

CHRISTOPHER L. PERRY
President & Chief Executive Officer

At Spectrum for Living, we believe that every individual is entitled to the opportunity to live a life filled with dignity, purpose, and independence. For over four decades, our organization has been a cornerstone of support for adults with developmental disabilities across New Jersey.

Our group homes, apartments, intermediate care facility (ICF) and day programs are more than just facilities—they are part of a much larger and inclusive community where individuals thrive through compassionate care, enriching programs, and a deep commitment to personal growth. We empower our residents to reach their fullest potential every single day.

But we do not, and cannot, do it alone.

Our donors help us provide state-of-the-art care, expand our programs, and ensure that no one is left behind. Whether it is funding adaptive equipment, our Green Thumb Program, or supporting our inclusive community events, donors make a direct and lasting impact.

So, as you look through our annual report, please consider making a gift today. Together, we can continue to build a future where everyone has the chance to shine.

Board Chairperson

ABOUT SPECTRUM FOR LIVING

OUR MISSION

To enable individuals who have developmental and/or physical disabilities to have the opportunity to attain their highest level of skills, purpose, and independence with dignity through an ongoing commitment to comprehensive quality services, advocacy, and family partnership.

OUR VISION

We envision a future where all individuals with developmental disabilities have opportunities to live healthy, safe, and enjoyable lives. Our goal is to provide full access to services that promote independence, community integration, and freedom from physical barriers.

OUR VALUES

We believe that individuals with disabilities have the right to exercise personal choice and make meaningful decisions in their own lives. Our services embody a lifespan approach that is flexible and responsive to the changing needs of each individual throughout his or her lifetime.

PROGRAMS + SERVICES

Spectrum for Living provides a multitude of services for adults with developmental, physical, and intellectual disabilities. We serve individuals across all income levels, ethnicities, and sexual orientations, including adults with autism, cerebral palsy, epilepsy, spina bifida, psychiatric needs, and other neurological impairments.

Adult Training Centers:

Our Adult Training Centers provide a variety of stimulating programs, which help clients with skill-building. Clients participate in art therapy, computer applications, music classes, community integration, sensory integration, workplace readiness, and cognitive development programs.

Health Care:

We provide comprehensive health care services for our residents and community clients at our sites. Our Medical Director oversees the provision of quality care, including nursing services, behavioral health, physical, occupational, speech, and dietary therapies.

Housing:

We care for clients in our Intermediate Care Facility, group homes, and supervised apartments. Our Intermediate Care Facility provides care for our most medically intensive residents. Our homes provide clients with private rooms and common living areas. Our apartments offer private rooms, a shared living room, and adaptive kitchens and bathrooms.

PROGRAMS + SERVICES

Recreation:

Our Recreational Programs offer our clients the freedom to make their own choices, become active members of society, and have access to the same opportunities as other adults. Clients participate in dances, games, arts, music, and field trips. These activities improve the quality of life of our clients, offering new means of socialization, integration, and sensory development.

Respite Care:

Our Family Respite Program provides a safe, secure, and warm environment for families of those with disabilities. We offer short-term respite stays at our Bergenfield Community Respite Home and area hotels, and we also offer a Saturday Respite Program.

Support Services:

Our Support Services Unit offers in-home training, community-based support, and community inclusion services. We work to link adults with developmental disabilities and their families living in the community to essential services such as benefits/entitlements, housing, day programs, and support services.

A large majority of our clients reflect the need for a combination and sequence of special interdisciplinary or generic care, treatment, or other services which are individually planned and coordinated.
